Hello Parents,

This week teachers are spending their time planning learning opportunities for our students to begin on April 6th. I am writing today to share our plans for students who need to get materials from their lockers so that they have what they need to participate in this process. This will be a slow process as it is new territory for us all. At some point this week, please expect a phone call from one of your child's teachers to discuss how we can help you with this process.

The health, safety and well-being of all our staff and students is of utmost importance. Our custodians have been working extremely hard to clean and disinfect our schools. If you don't need anything from your locker at this time then please do not come in. Due to Covid 19 we have to ensure that social distancing is occurring and hygiene protocols mandated by our Provincial Health Officer are being met. To help with this, a schedule has been developed as to when your child can come to the school to clean out their locker. A bag will be provided, if needed, for students to place their belongings in. **We ask that your return all school books such as textbooks and library books and if you have team jerseys they must also be returned.**

When your child arrives at the school during their assigned time, there will be cones in front of the school to stand and keep 2 meters apart. Our staff will let a small number of students in at a time once they use the hand sanitizer located at the front of the school. Students are to go directly to their locker and gather their belongings and lock and then leave from the same door they entered. Please ask your child NOT to go anywhere else in the building. Any library books or textbooks need to be placed on the tables by the office doors.

1:00-2:00	Symes-Zucco
2:00-3:00	Open- please do not assume there will be enough time if everyone waits

Please be patient with this process as there may be a short wait depending on how many students arrive at the same time. If you are unable to make your allotted time, please contact me [myurkowski@sd22.bc.ca](mailto:myurkowski@sd22.bc.ca) and we can arrange another time that will work.

Thank you for your understanding and support during this pandemic. I wish you and your families all the very best.

Sincerely,

Ms. Melissa Yurkowski  
Principal
